

## GREG & MICHELLE

Dear Birth Parents,

Our names are Greg and Michelle, and we are excited to share our story with you. We believe every child deserves a loving, stable home, and we are committed to providing just that. We have so much love to give, and we cannot wait to embark on this journey of parenthood. We look forward to the possibility of meeting you and starting this incredible journey together.

*A little about Greg*

Greg grew up in a small community just outside town, surrounded by the beauty of nature. He is very close with his family. Greg has been dedicated to his career since he finished high school. He has worked hard to establish himself and has found success in his chosen field in the logging industry. One of Greg's greatest joys in life is spending time with his loyal companion Leo. They embark on countless adventures together, exploring trails and enjoying the great outdoors. Greg's love for nature and adventure is evident in his travels.

### Our Story

Our love story began when we met at a restaurant with friends. Instantly we felt a connection and knew we wanted to get to know each other better.

As we got to know each other and our families, Greg and Michelle were open and honest with each other immediately, building a strong foundation of trust.

We both knew we wanted to expand our family but faced the challenges of infertility. After exploring our options, we decided that adoption was the best way to share our love and build a family.

Now we eagerly await the opportunity to welcome a new member into our family and share our love and happiness with a child.

*A little about Michelle*

Michelle grew up in a small town with her parents, who placed a strong emphasis on the importance of family. Children and animals have always held a special place in Michelle's heart. This passion led her to pursue an after-school program working with children. Over the years, Michelle's career path has taken her from hairdressing to working with kids, and now to helping people in the hospital. Her career plays an important role in the hospital as she sterilizes all the equipment for surgeries. Her love for children and desire to make a positive impact on their lives has remained strong. Michelle is ready to embrace motherhood.

*A little about Leo*

Leo, the beloved furry companion, is more than just a pet to Greg and Michelle; he is a loyal and loving member of their family, bringing joy and laughter to their lives every day. As they await the arrival of their little one, they know that Leo will be there to welcome them with open paws, creating a bond that will last a lifetime.

## Our Home and Neighbourhood

We live in a family-oriented neighbourhood, nestled amidst the tranquility of nature, of a newly built two-story home. The backyard of our home is a true oasis as it backs on to a lush forest. Our area is also a short distance away from parks, walking trails, and stores. Whether it is a family picnic in the park or a leisurely walk along the trails, we always find something to do and explore in our vibrant neighborhood.

## Our Promise to You

We want you to know we will always honor and cherish the connection our child has with you. We will strive to create an open and loving environment where they can explore their identity and heritage. We believe that it is important for them to know their roots and the incredible journey that brought them into our family. Please know you will forever hold a special place in our hearts.

Sincerely, Greg and Michelle
