

Bobby, Marcie & Jackson

We are Bobby, Marcie & Jackson! We appreciate you taking the time to learn more about our family. Thank you for considering your choices. We are so excited to be adopting and completing our family! We hope that this profile will help you learn a little of who we are.

About us

We are a very active family! Marcie has spent her life figure skating and made it into her career as an adult, the best part of teaching skating is watching the little ones grow and learn. Bobby was a professional baseball player until an injury brought him home to Canada. Baseball and hockey are still a big part of his life. Jackson LOVES hockey and hopes to be a professional hockey player one day.

Our life together

We love to travel as much as we can. Most of our trips revolve around visiting family in Nashville or trips for hockey. After we were married in July 2019 we were very lucky to have a wonderful "Family Moon" to Florida and the Bahamas. We tried to enjoy every second of the trip of a lifetime! We can't wait to go back to Disney World and Universal, it will be a great place to take a little one. When we are home on we like to take advantage of the beauty in our own "backyard" as much as we can. We live in a small community on Vancouver Island with parks and schools within walking distance.

Family

Between the two of us we have a large family and extended family that we are so thankful for. They have all shown us so much support as we begin our journey and are as excited as we are to meet our newest family member.

Our Promise

Jackson is going to make the best big brother you could ask for! Marcie has waited all her life to be a mom and will love this baby unconditionally, Bobby is already the most loving dad and has even more love to share. We are ready to love another baby. We will be sure that your child will always feel loved and proud to be adopted.
