

*This is Us*

Hi, we are Dan, Julie and Jax... THANK YOU SO MUCH FOR TAKING THE TIME TO READ OUR PROFILE. WE KNOW YOU HAVE A LOT OF CHOICES, AND WE WISH THE VERY BEST FOR YOUR CHILD NO MATTER WHAT YOU CHOOSE. WE DO HOPE YOU WILL CONSIDER US, SO HERE'S JUST A LITTLE BIT ABOUT OUR FAMILY.

Dan and Julie met in 2010 then were married in 2014. In 2020, we were blessed to bring Jax into our family through the gift of adoption. It's been such a positive experience for all three of us. We would love nothing more than to add one more special little human to our family!

SOME OF OUR FAVOURITE THINGS TO DO WITH JAX INCLUDE SWIMMING, PLAYING OUTSIDE, OR GOING TO THE PARK WHERE HE SPENDS ENDLESS HOURS ON THE SLIDE. WE ALSO SPEND LOTS OF TIME IN AND AROUND OUR NEIGHBORHOOD, ENJOYING GET TOGETHERS WITH THE OTHER FAMILIES. WE LOVE TO GO ON HOLIDAYS, MAKING LASTING MEMORIES, AND MOST OF ALL WE LOVE HAVING FUN!

*Our family motto is "work hard and play harder"*

Family and friends are very important to us, so we make it a priority to see them all as much as possible. Julie's family has a second home in *Arizona*, which we love to visit every few months, especially during our cold winters. In Arizona, we love to swim in the pool, take Jax on the mountain bikes, and play at the spray park with all the kids! One day Dan would love to teach Jax how to golf! (Hopefully better than dad)

We also visit *Alberta* often to see our immediate family, where we can all spend time together at the family's home on the lake. There we're able to spend summers outside on the boat, and build sandcastles on the beach with all of Jax's cousins. In the winter time we enjoy ice skating, tobogganing, and playing games inside with the family.

Dan has been a full time firefighter in the Lower Mainland since 2012, and Julie has run a successful home-based esthetics business since 2015. We are both very fortunate having flexible schedules that allow us both time for our family, and making lots of fun memories together. So although daycare isn't necessary, Jax does attend daycare 2 days a week close to home, where he has learned to socialize so well. He has so much fun there playing with his friends, and learns many new things every week.

Thank you again for your consideration of our family, and we wish you and your child all the best with your decision.

Dan's parents both live nearby our home, with his sister and her family being on Vancouver Island. We love having them close by, as it's great for weekend getaways. We get to see them often, as her young boys (3 and 5 years old) are growing so quickly! Her family also comes to the mainland regularly to visit the rest of the family.
